OUR MISSION

As a strong supporter of our community at large, On the Hill Cafe strives through programs such as Clean Choice Energy and Waste Neutral, to act as a good corporate citizen to do our part in improving the community around us. 100% of our electricity comes from wind power, we compost and/or recycle all outgoing waste, and our cooking oil is re-purposed as biodiesel fuel. Together with our neighbors, we are making a difference in the way communities and businesses partner with each other to make tomorrow better for everyone. We pride ourselves in serving high quality, natural food. We carry organic and local produce when possible. Our eggs come weekly from Springfield Farms. Our ground beef and turkey are humane certified, no hormones or antibiotics.
